WHY DO WE DO THAT?

Responsive Readings

During service each week we have moments with responsive readings of Scripture and/or prayers together. Just like singing, we find that this is a way for the entire congregation to be fully engaged in participation and ministry to one another. We believe this is the joyful duty of all Christians and not simply the pastors who lead worship and preach (Hebrews 10:23-25). As we sing, read, and pray out loud together, we are cementing truth in our own hearts as well as those around us. These responsive readings could come from Scripture passages, something written by one of the pastors, or other resources, such as *The Worship Sourcebook* or *The Valley of Vision*.

MISSIONARY SPOTLIGHT

Karen Norton | AIA | Dayton, OH:

Karen completed her Athletes In Action (AIA) internship in July and is transitioning into her permanent position with the organization. She went to Albania in June and served on a team with all Albanian AIA staff. They hosted a soccer camp at one of the churches and about 50 kids participated. She witnessed one of the kids, Brajni, accept Jesus as his Lord! Now she is back in Xenia and will continue her role with a soccer league, near Dayton. Many of the kids are children of immigrants from African countries. Last year, she and another AIA intern led a group of girls in Bible study. Pray for Karen and her team to have unity and work together well and for her support raising to be completed soon.

The mission of Faith Church is to make more and better disciples here and around the world.

Community Groups

Community Groups are vital to who we are and what we do here at Faith Church. CGs are about a group of brothers & sisters in Christ seeking to grow in deeper communion with God, community with one another, and on mission to make disciples.
