SERVICE SPOTLIGHT

Braden Ruotolo | Children's Wing Courtyard:

Braden Ruotolo recently completed his Eagle Scout Project, which was to renovate the courtyard near the Children's Wing. The courtyard had been in disuse for many years and eventually became an eyesore. Braden was inspired by Nathan Grilliot,

who renovated the courtyard near the church offices for his Eagle Scout project in 2020.

Braden's project required removing 900 square feet of astro turf (originally from Riverfront Stadium), digging up a tree stump and steel swing set posts, leveling the ground, installing 900 square feet of landscape fabric, hauling and raking 9 tons of gravel, installing landscape beds with hostas, assembling patio furniture, and installing ornamentation.

The project spanned 6 days, requiring 150 man hours of labor and \$1,820 of materials. All of the cost was covered by generous donations from church, family, and friends.

He wants to thank those who contributed towards his project, and he hopes that the newly renovated courtyard will bring years of use and enjoyment to Faith Church!

Thank you Braden for your hard work and service for our church! The courtyard looks beautiful!

The mission of Faith Church is to make more and better disciples here and around the world.
